We have a queen bedroom set on display, which includes a queen bed with modified (mattress height) footboard, a 6 drawer dresser with mirror, a 4 drawer chest, and two choices of night stands. We also have the option to get benches, coffee tables, sofa tables, hutches, book shelves, spindle post beds and other custom pieces as well. Order time ranges from 3-6 weeks, with custom pieces closer to the 6 week time frame. We are very pleased with the look and quality!

EMV Credit Cards

You may have heard about the nationwide changes to credit cards from traditional swipe to EMV cards. EMV stands for Europay, MasterCard, Visa, and is a global standard for cards equipped with computer chips and the technology used to authenticate chip-card transactions. This chip technology will increase security and reduce fraud as the data from the card is encrypted for each transaction, compared to magnetic stripe cards which can be copied easier. A pin code may also be required to process transactions.

By October of 2015, most merchants will support this type of card or face a liability shift in the event of fraud. While it is highly unlikely that any type of card fraud would occur at Cabin Creations, we already have purchased EMV compliant equipment. As we near the October 2015 deadline, the feature will be activated on our machine. While most cards will still have the traditional swipe stripe, to process the card in the secure EMV fashion, the card will be inserted into a chip reader slot for the transaction. If your card does not have a chip, it will be processed in the standard manner. With our new equipment, we are also able to accept Apple Pay, Google Wallet, and wave cards, a new type of credit card that uses a contactless wave motion over the machine. These three payment options are available now. If you have this technology and would like to give it a try, we'd be happy to learn along with you!

The BEST new arrival!

We always have a lot of new products coming into the store, and we are always excited to see them. If we weren't, we'd be in trouble! But, this is truly the BEST new arrival that we have had since taking over ownership nearly 3 years ago. We are excited to share that we are expecting our 3rd child! Baby Harper will be joining big sisters Leah and Ally on December 31st! We appreciate your patience and understanding during this exciting time for us. We will do our best to keep things running status quo at Cabin Creations as we progress through the pregnancy and beginning weeks at home. We appreciate your support of our business, and growing family!
