Annual Girls Night Out

One of our most favorite days of the year is coming soon!
The Annual Girls' Night Out event is on Thursday, May 29th
from 4pm-8pm. If you haven't heard of or participated in
this event yet, allow us to explain. Girls Night Out is an
opportunity for you to have a night out in Phillips with your
friends, visit local businesses, and win great prizes.

To take part, you must start by
picking up a "passport."
Passports can be picked up at
most participating businesses up
to a week in advance. On
Thursday, May 29th starting at
4pm, take the passport to
participating businesses to
receive your stamp. Leave your
completed passport at the
business with the last stamp.
Please continue to visit businesses
after your passport is full as

many will have samples, sign-ups, and sales. Then meet at
Meister's Bar and Grill to see if you are one of the lucky
winners of the gift baskets of items donated by the
participants. Two baskets will be awarded only to people
present at Meister's for the 8:30pm drawing, and the
remaining will be drawn from all completed passports. It is
sure to be a fun event. rain or shine!

Mother's Day is May 11th

May

11

Let's face it, without our moms, we wouldn't be here!
While we feel that the special women in our lives should be
celebrated all year, May 11th is the chosen celebration day
this year. If you are looking for a traditional gift, from May
1-11th, jewelry, scarves and purses are all 11% off. As
always, we have a great selection of more unique options.
Some of our favorites are bird baths, lodge dinnerware,
Yankee candles, and tobacco lath art.

New Rustic Furniture

We are excited to announce the arrival of a new rustic furniture line, Rustic Log Furniture from Alamosa, Colorado. We are still extremely satisfied with our Amish-made log furniture and will continue to carry his products as we have in the past. This new company has a focus on upholstered furniture, with Aspen wood accents, something that our Amish builder does not build.

The Rustic Log Furniture Company prides itself on its "green" practices, from their solar powered warehouse to their sawdust-based compost. Their product line includes hundreds of items made of the highest grade dead-standing Aspen that comes from the upper elevations of the Rocky Mountains. Products include kitchen cabinets, bathroom vanities, poker tables, and living room furniture.

Our goal is to stock a selection of the living room products with the option to place orders on additional pieces. We have fabric swatches available in store. Order times will range from 3-8 weeks depending on current orders and delivery schedules. To view the full product line, visit www.rusticlogfurniture.com and click on product line.
