It's Our 6th Anniversary!

It's hard to believe that it is already our 6th anniversary here at Cabin Creations! What a fun journey it has been so far! We are fortunate to have met such wonderful people through our business. Whether it be residents of Phillips, seasonal home owners, or passerby traveler, we are truly blessed to have such kind and supportive people around us. As always, we strive to provide great customer service and well-made products that are perfect for gift giving or to decorate your home or cabin. We will continue to work hard to bring you the best gift shop in the Northwoods!

In thanking you for your patronage, we are hosting a 6th Anniversary Celebration on Wednesday, August 1st. We will have delicious food samples, a free gift with a \$20 purchase, and a fun Tenzi game to win gift certificates. If you haven't played Tenzi before, we'll be rolling 10 dice and counting how many rolls it takes to get to all 6s (for our 6th anniversary!)

Based on your number of rolls, you'll be entered to win a gift certificate. We'll be giving away over \$150 worth! Also, Lola's Lunchbox will be cooking onsite for the day! Grab a delicious sandwich and get another chance to play Tenzi! We cannot thank you enough for your support over the last 6 years and look forward to the years to come!
